\*\*\* WEDNESDAY 10 OCTOBER \*\*\*

is a date you must reserve immediately. Then it is time for our annual meeting, which also this time will take place in Stockholm. Gothenburg was our first choice, but sorry to say they could not offer an interesting game of football. Instead we will arrange the membership meeting 1991 in Gothenburg, when a visit at the Sport Museum is on the program.

The match to watch on 10 October is SWEDEN-WEST GERMANY, so it is the World Champions we are going to see. On the annual meeting we also have a "secret guest" and a football quiz with fine prizes. Before kick-off it is of tradition our common dinner.

Please notify us soonest possible if you are planning to attend and also your requirements regarding ticket and dinner.

Call + 46 224 111 79, preferably after 19.00.

All participants will receive complete details about the annual meeting.

\*\*\* OPERATION NEW MEMBERS \*\*\*

It has been a soft start on the recruiting front, and the following three have one (1) point each: Olle Blom, Göran Larsson, Jan Persson. We really need a bunch of new members to keep it rolling, so please tell your friends of SFS.
